Heroes to Heroes exists to stop Veteran Suicide. With over 20 of our veterans dying by their own hands each day, and the increased stress of the COVID-19 and social disturbance situations, now more than ever, we need your help.

Mission: To provide a spiritual healing and peer support program for veterans who have attempted suicide, have suicidal thoughts, or are on a path to self-destruction due to their experience in combat.

What we do:

- 1. Send teams of twelve veterans on 10-day journeys to Israel where they travel with their IDF counterparts and explore their faith and heal in an unashamed manner**
- 2. Provide spouses with tools and knowledge to understand and live with the Veterans they love**
- 3. Give our alumni opportunities to tell their stories on college campuses throughout the country**
- 4. Reinforce the outcomes through an ongoing peer support program online via Zoom and WhatsApp**

Our results:

- 1. To date, over 300 American combat veterans have participated in Heroes to Heroes journeys**
- 2. Long-term study being done by Dr. Joe Currier of the University of South Alabama shows initial results are a significant decrease in PTSD symptoms one month after the journey**
- 3. Study shows that Heroes to Heroes is successfully serving veterans with severe issues**
- 4. Heroes to Heroes' veterans have spoken on over 100 college campuses**
- 5. Spouses who participate in the program report an increase in marital happiness**

Your support will go directly to helping our Veterans choose LIFE. It costs \$100,000 to send a team of 12. Help us send two teams through this vital program! We can't do it without you.
